

Gurnard Sailing Club 2010 Boat Site Application

Rules for the use of the boatsite

All boats must be covered by third party insurance of at least £2,000,000. Any boat used for racing must also have Racing Cover.

All boats must be parked in accordance with the plan and must display a 2009 boat site sticker in a prominent place with the site number clearly displayed.

Boat sites are not transferable to other members, but may be transferred to other boats owned by the same member, with the agreement of the Boat Site Officer.

Road trailers must not be left on the boat site.

Boat sites must be kept clean and tidy.

Boats may be left on site from 1 Jan to 28 Feb on payment of a £20 winter storage fee.

ALL OTHER BOATS MUST BE REMOVED.

Boat site allocation policy

Boat site applications must be returned by 31st January 2010.

Any Club member is eligible for a boat site provided a completed application form and appropriate fee are received.

A member's boat site application will not be considered until any outstanding winter storage fees are paid.

Boat sites are only available for monohulls - multihull sailors should approach Carl Blenkinsop at the Marsh.

Boats sailed by junior members will not be allocated to the top rack unless there is no other place available.

In the event of there being more applications than spaces on 31st January, sites will be allocated by using the following priorities:

- 1: Boats sailed regularly last season
- 2: New members/ new or extra boat for existing member
- 3: Boats sailed infrequently last season

Those applications that are not allocated a space will be placed on a waiting list, in order of the date received. Thereafter applications will be added to the list in date order, in both cases boat sites will be allocated using the above priorities.

Boat sites will be reviewed in May and then monthly:-

If a waiting list is in existence, owners who have not taken up their sites by 14th May 2010, will be expected to relinquish them and fees will be refunded.

Members who have boats that have not been seen to sail regularly may be asked to remove them from the site.

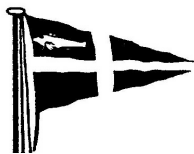

The Sailing Committee has discretion to prioritise applications in exceptional circumstances
