BAR ROTA

March 2010 to Dinghy Week

Dear fellow member

If you know you cannot do the allocated duty please arrange a swap otherwise other members, who have probably already done their turn, will have to stand in for you, possibly without warning if you forget your duty. In order to avoid this happening the rota is posted in the Club, on the website and this is sent to you. A full list of bar volunteers is kept in the Club.

PLEASE ENTER YOUR DATE IN YOUR DIARY

The keys for the bar will normally be at the Club when you arrive, either in the race box or kitchen. If not a spare set are in the key safe by the kitchen door, Flag Officers and General Committee members know the code. Instructions on how to open up and close down are placed on the yellow notice under the bell. Don't forget to check the cellar is switched on – and **OFF**.

THANK YOU for doing a bar duty
