RS Feva

PICO AND FEVA HIRE

Picos and Fevas are available for hire for Club members for racing and training.

For details of availability, charges etc. for training sessions contact Mark Harrison (299098 – markliz.harrison@onwight.net).

For racing the charges are £5 per junior or £10 per adult per boat per race. If a boat is hired for a series then a 50% discount is applicable if the boat is paid for in full in advance. No refunds will be given for races that are cancelled or abandoned.

Payment envelopes are available from the Race Box up to half an hour before racing starts i.e. 10.00am or 6.00pm. Cash must be the exact amount as the Race Box team cannot give change. Cheques should be made payable to 'Gurnard Sailing Club'.

Daily charges are also payable in advance. The Race Officer may use his or her discretion on the first occasion and allow payment after the race but that discretion is only available once.

Any damage should be reported as soon as possible - preferably to an officer of the Club or to the Race Box if an officer cannot be found.
